

Parents and Teachers,

Along with providing communication between home and school, the purpose of the PTO is to “direct scholar activities outside the classroom”. Many of our activities have taken place this semester and we hope they have been enjoyed by all. We are grateful to those kind parents who have offered to help with PTO activities and because we have had great responses with help and donations we do not need to “encourage” you to sign up for committees! We have heard positive feedback regarding the monthly requests for help rather than feeling pressure to join a committee when upcoming schedules are not known.

PTO activities are paid for by your dues you have donated. NO FUNDRAISING! These dues are used for

- Our four annual activities (Constitution Week, Trunk or Treat, and two parent/child activities)
- The School Directory
- Holiday and end-of-year gifts for Heritage Staff
- The balance at the end of the year goes towards a school gift.

Thanks to generous donations of your time and dues, the PTO can facilitate these activities.

Suzet Pope
PTO President
