Excerpt from our mission statement:

“We are dedicated to youth, their growth and development, and believe in building sound character through strong families, strong communities, and a strong nation. While teaching the academic disciplines, Heritage Academy is dedicated to instilling into the minds and hearts of our youth knowledge of and respect for the ideals and values of the great men and women of history, including those who founded the American nation. As they gain an appreciation of these people of accomplishment, they will be ready to provide the selfless service to their fellow citizens and to their country which will be required in the coming years to assist in restoring America's greatness.”

Considering this is our goal, and understanding it will be fully realized in our students only if they are with us through the 12th grade, what grade levels will your student complete here at Heritage Academy? _____

Please read this notice carefully: Heritage Academy does not discriminate in its enrollment policy. Our programs begin at the seventh grade level. Students applying for enrollment may be tested to determine appropriate placement regardless of age or prior grade level. If it is determined that a student is not ready for at least the seventh grade level of work, it will be necessary to enroll the student in another school which has a pre-seventh grade program. No student will be admitted with unresolved grades of “D” or “F.” To resolve a grade of “D” or “F,” include proof of the class having been retaken and passed with a grade of “C” or higher.
